## We're Still Talking – Group exhibit by Nadine Papp, Wendy Wood, Sandi Luck

Date and Time: Tuesday, April 29 10:00 am - 4:00 pm

Address: 176 Bobcaygeon Road, Minden

We're Still Talking is an exhibit about relationships. About three friends and fibre artists that travelled together to a small remote island for ten days to pursue their individual and joint artistic vision. Their experimentation with materials and plant dyes will be showcased in this unique group exhibition.

The Artists:

Nadine Papp is a fibre artist working with a variety of materials that help her create different pieces of art. Her love of all things natural inspire the cloth she stitches, dyes, cuts and forms. Her focus is on repetitive stitch which

ch is recognizable in her works.

Wendy Wood is a multidisciplinary artist, who has been creating art her whole life. She started as an electrical drafter, and the love of using a pencil led to a career in landscape painting. She was introduced to crochet at a very young age and that appreciation of fiber crept back into her life in woven form. After years of painting and weaving, the two very different art forms have begun to merge into Wendy's work; a combination of colour and texture, paint and fiber, an exploration that is just beginning.

Sandi Luck is a fibre artist residing in Haliburton. Her current practice explores themes of fantastical nature through embellished felt jewellery, natural dyes and botanical prints. She employs bright colours and multiple layers of stitch, beading and natural fibre to create texture and whimsy. Her work has been featured in Fiber Arts Now Magazine, Worldwide Colors of Felt and other publications in addition to many local Haliburton exhibitions, most recently at Fleming College Faculty Exhibition 2024.

The opening reception with the artists takes place on Saturday, March 22 from 1:00 pm to 3:00 pm. All are welcome. Refreshments will be served.

The Agnes Jamieson Gallery is a public gallery with year-round visual exhibitions of local and regional art. Date and Time: Tuesday, April 29 10:00 am - 4:00 pm

Address: 176 Bobcaygeon Road, Minden

*Bakaan nake'ii ngii-izhi-gakinoo'amaagoomin: We Were Taught Differently*, an exhibit created by The Muse, Lake of the Woods Museum, in conjunction with the NeChee Friendship Centre and the Lake of the Woods Ojibway Cultural Centre in Kenora, Ontario, will be on display at the Minden Hills Cultural Centre from April 1 to June 28, 2025.

This exhibit examines the Indian residential school experience, most particularly in the two schools that were located in Kenora, Ontario – Cecilia Jeffrey and St. Mary's. It also includes mention of all six schools in Treaty # 3, as many local residents were sent to schools outside the immediate Kenora area. The exhibit is reflective of the residential school experience across Canada, nation-wide.

Powerful images, text, video, archival material and personal recollections combine to tell the story of the residential school experience. Visitors will learn why residential schools were established, what life in the schools was like, the legacy of the schools, the recent settlement agreement, and Government and church apologies.

The primary objectives of this exhibit are to acknowledge this part of our history; to promote awareness about the residential schools and the long-term effect they had on the First Nations people; and to honour those whose lives have been touched by the schools. It is an exhibit for everyone.

The Minden Hills Cultural Centre includes the Agnes Jamieson Gallery, Minden Hills Heritage Museum & Village and Nature's Place Interpretive Centre. Wendy Wood is a multidisciplinary artist, who has been creating art her whole life. She started as an electrical drafter, and the love of using a pencil led to a career in landscape painting. She was introduced to crochet at a very young age and that appreciation of fiber crept back into her life in woven form. After years of painting and weaving, the two very different art forms have begun to merge into Wendy's work; a combination of colour and texture, paint and fiber, an exploration that is just beginning.

Sandi Luck is a fibre artist residing in Haliburton. Her current practice explores themes of fantastical nature through embellished felt jewellery, natural dyes and botanical prints. She employs bright colours and multiple layers of stitch, beading and natural fibre to create texture and whimsy. Her work has been featured in Fiber Arts Now Magazine, Worldwide Colors of Felt and other publications in addition to many local Haliburton exhibitions, most recently at Fleming College Faculty Exhibition 2024.

The opening reception with the artists takes place on Saturday, March 22 from 1:00 pm to 3:00 pm. All are welcome. Refreshments will be served.
