Archie Stouffer Elementary School 2nd Annual Student Art Exhibition

Date and Time: Saturday, March 1 10:00 am - 4:00 pm

Address: 176 Bobcaygeon Road, Minden

Our 2nd annual Archie Stouffer Student Art Exhibit will celebrate and reflect the rich cultural and natural heritage of The Land Between, the vital and diverse landscape that we call home. The exhibit will be on display from February 13 to March 15, 2025 in the Agnes Jamieson Gallery.

The Township of Minden Hills is part of the traditional territory of the Michi Saagiig and Chippewa Nations, collectively known as the Williams Treaties First Nations, which are Curve Lake, Rama, Hiawatha, Alderville, Scugog Island, Beausoleil and Georgina Island First Nations. We acknowledge a shared presence of Indigenous nations throughout the area, and recognize its original, Indigenous inhabitants as the stewards of its lands and waters since time immemorial.

The Land Between (TLB) was identified as an important landscape in this territory, spanning Parry Sound and Orillia to the Ottawa valley, and sits "between" the Canadian Shield and St. Lawrence Lowlands, harbouring species and features from north and south, but also ones that are unique. TLB is a last stronghold for many wildlife and habitats in southern Ontario, supporting 59 federally listed Species-at-Risk and iconic yet declining wildlife like loon, bear and moose.

Thank you to the Minden Hills Cultural Centre Foundation for donating \$250 to purchase art supplies for the students to use to create their artwork. Awards of Recognition, selected by our jury of local artists, will be handed out in several categories at the Student Artist Reception on Saturday, February 22 from 1:00 to 3:00 p.m. Refreshments will be served. All are invited to attend.

Address: 176 Bobcaygeon Road, Minden

Our 2nd annual Archie Stouffer Student Art Exhibit will celebrate and reflect the rich cultural and natural heritage of The Land Between, the vital and diverse landscape that we call home. The exhibit will be on display from February 13 to March 15, 2025 in the Agnes Jamieson Gallery.

The Township of Minden Hills is part of the traditional territory of the Michi Saagiig and Chippewa Nations, collectively known as the Williams Treaties First Nations, which are Curve Lake, Rama, Hiawatha, Alderville, Scugog Island, Beausoleil and Georgina Island First Nations. We acknowledge a shared presence of Indigenous nations throughout the area, and recognize its original, Indigenous inhabitants as the stewards of its lands and waters since time immemorial.

The Land Between (TLB) was identified as an important landscape in this territory, spanning Parry Sound and Orillia to the Ottawa valley, and sits "between" the Canadian Shield and St. Lawrence Lowlands, harbouring species and features from north and south, but also ones that are unique. TLB is a last stronghold for many wildlife and habitats in southern Ontario, supporting 59 federally listed Species-at-Risk and iconic yet declining wildlife like loon, bear and moose.

Thank you to the Minden Hills Cultural Centre Foundation for donating \$250 to purchase art supplies for the students to use to create their artwork. Awards of Recognition, selected by our jury of local artists, will be handed out in several categories at the Student Artist Reception on Saturday, February 22 from 1:00 to 3:00 p.m. Refreshments will be served. All are invited to attend.

Archie Stouffer Elementary School 2nd Annual Student Art Exhibition

Date and Time: Friday, March 14 10:00 am - 4:00 pm

Address: 176 Bobcaygeon Road, Minden

Our 2nd annual Archie Stouffer Student Art Exhibit will celebrate and reflect the rich cultural and natural heritage of The Land Between, the vital and diverse landscape that we call home. The exhibit will be on display from February 13 to March 15, 2025 in the Agnes Jamieson Gallery.

The Township of Minden Hills is part of the traditional territory of the Michi Saagiig and Chippewa Nations, collectively known as the Williams Treaties First Nations, which are Curve Lake, Rama, Hiawatha, Alderville, Scugog Island, Beausoleil and Georgina Island First Nations. We acknowledge a shared presence of Indigenous nations throughout the area, and recognize its original, Indigenous inhabitants as the stewards of its lands and waters since time immemorial.

The Land Between (TLB) was identified as an important landscape in this territory, spanning Parry Sound and Orlia to the Ottawa valley, and sits "between" the Canadian Shield and St. Lawrence Lowlands, harbouring species and features from north and south, but also ones that are unique. TLB is a last stronghold for many wildlife and habitats in southern Ontario, supporting 59 federally listed Species-at-Risk and iconic yet declining wildlife like loon, bear and moose.

Thank you to the Minden Hills Cultural Centre Foundation for donating \$250 to purchase art supplies for the students to use to create their artwork. Awards of Recognition, selected by our jury of local artists, will be handed out in several categories at the Student Artist Reception on Saturday, February 22 from 1:00 to 3:00 p.m. Refreshments will be served. All are invited to attend.

We're Still Talking – Group exhibit by Nadine Papp, Wendy Wood, Sandi Luck

Date and Time: Thursday, March 20 10:00 am - 4:00 pm

Address: 176 Bobcaygeon Road, Minden

We're Still Talking is an exhibit about relationships. About three friends and fibre artists that travelled together to a small remote island for ten days to pursue their individual and joint artistic vision. Their experimentation with materials and plant dyes will be showcased in this unique group exhibition.

The Artists:

Nadine Papp is a fibre artist working with a variety of materials that help her create different pieces of art. Her love of all things natural inspire the cloth she stitches, dyes, cuts and forms. Her focus is on repetitive stitch which is recognizable in her works.

Wendy Wood is a multidisciplinary artist, who has been creating art her whole life. She started as an electrical drafter, and the love of using a pencil led to a career in landscape painting. She was introduced to crochet at a very young age and that appreciation of fiber crept back into her life in woven form. After years of painting a

and weaving, the two very different art forms have begun to merge into Wendy's work; a combination of colour and texture, paint and fiber, an exploration that is just beginning.

Sandi Luck is a fibre artist residing in Haliburton. Her current practice explores themes of fantastical nature through embellished felt jewellery, natural dyes and botanical prints. She employs bright colours and multiple layers of stitch, beading and natural fibre to create texture and whimsy. Her work has been featured in Fiber Arts Now Magazine, Worldwide Colors of Felt and other publications in addition to many local Haliburton exhibitions, most recently at Fleming College Faculty Exhibition 2024.

The opening reception with the artists takes place on Saturday, March 22 from 1:00 pm to 3:00 pm. All are welcome. Refreshments will be served.

The Agnes Jamieson Gallery is a public gallery with year-round visual exhibitions of local and regional art. The Gallery is part of the Minden Hills Cultural Centre which also includes the Heritage Village & Nature Place Interpretive Centre. The Gallery is fully accessible and is open Tuesday – Saturday from 10 am – 4 pm. Admission is by donation.

We're Still Talking – Group exhibit by Nadine Papp, Wendy Wood, Sandi Luck

Date and Time: Friday, March 21 10:00 am - 4:00 pm

Address: 176 Bobcaygeon Road, Minden

We're Still Talking is an exhibit about relationships. About three friends and fibre artists that travelled together to a small remote island for ten days to pursue their individual and joint artistic vision. Their experimentation with materials and plant dyes will be showcased in this unique group exhibition.

The Artists:

Nadine Papp is a fibre artist working with a variety of materials that help her create different pieces of art. Her l

ove of all things natural inspire the cloth she stitches, dyes, cuts and forms. Her focus is on repetitive stitch which is recognizable in her works.

Wendy Wood is a multidisciplinary artist, who has been creating art her whole life. She started as an electrical drafter, and the love of using a pencil led to a career in landscape painting. She was introduced to crochet at a very young age and that appreciation of fiber crept back into her life in woven form. After years of painting and weaving, the two very different art forms have begun to merge into Wendy's work; a combination of colour and texture, paint and fiber, an exploration that is just beginning.

Sandi Luck is a fibre artist residing in Haliburton. Her current practice explores themes of fantastical nature through embellished felt jewellery, natural dyes and botanical prints. She employs bright colours and multiple layers of stitch, beading and natural fibre to create texture and whimsy. Her work has been featured in Fiber Arts Now Magazine, Worldwide Colors of Felt and other publications in addition to many local Haliburton exhibitions, most recently at Fleming College Faculty Exhibition 2024.

The opening reception with the artists takes place on Saturday, March 22 from 1:00 pm to 3:00 pm. All are welcome. Refreshments will be served.

The Agnes Jamieson Gallery is a public gallery with year-round visual exhibitions of local and regional art. The Gallery is part of the Minden Hills Cultural Centre which also includes the Heritage Village & Nature Place Interpretive Centre. The Gallery is fully accessible and is open Tuesday – Saturday from 10 am – 4 pm. Admission is by donation.

We're Still Talking – Group exhibit by Nadine Papp, Wendy Wood, Sandi Luck

Date and Time: Friday, March 28 10:00 am - 4:00 pm

Address: 176 Bobcaygeon Road, Minden

We're Still Talking is an exhibit about relationships. About three friends and fibre artists that travelled together to a small remote island for ten days to pursue their individual and joint artistic vision. Their experimentation

with materials and plant dyes will be showcased in this unique group exhibition.

The Artists:

Nadine Papp is a fibre artist working with a variety of materials that help her create different pieces of art. Her love of all things natural inspire the cloth she stitches, dyes, cuts and forms. Her focus is on repetitive stitch which is recognizable in her works.

Wendy Wood is a multidisciplinary artist, who has been creating art her whole life. She started as an electrical drafter, and the love of using a pencil led to a career in landscape painting. She was introduced to crochet at a very young age and that appreciation of fiber crept back into her life in woven form. After years of painting and weaving, the two very different art forms have begun to merge into Wendy's work; a combination of colour and texture, paint and fiber, an exploration that is just beginning.

Sandi Luck is a fibre artist residing in Haliburton. Her current practice explores themes of fantastical nature through embellished felt jewellery, natural dyes and botanical prints. She employs bright colours and multiple layers of stitch, beading and natural fibre to create texture and whimsy. Her work has been featured in Fiber Arts Now Magazine, Worldwide Colors of Felt and other publications in addition to many local Haliburton exhibitions, most recently at Fleming College Faculty Exhibition 2024.

The opening reception with the artists takes place on Saturday, March 22 from 1:00 pm to 3:00 pm. All are welcome. Refreshments will be served.

The Agnes Jamieson Gallery is a public gallery with year-round visual exhibitions of local and regional art.
