We look forward to this class all week! It energizes us. It lifts our spirits to feel our muscles strengthen and tone. This practice often begins with standing postures and balance then we move down to the floor and bring our attention to the very core of our body where all our power resides. We send that power out from our core to the rest of our body so that our arms and legs move freely and with ease. The gift of this class is feeling strong and healthy.

Pre-registration required

## Connection and Response: An Exhibit by Bruce Cull

Date and Time: Friday, May 31 10:00 am - 4:00 pm

Address: 176 Bobcaygeon Road, Minden

Connection and Response, an exhibit by artist Bruce Cull, will be on display at the Agnes Jamieson Gallery from April 4 to June 8, 2024.

Bruce is profoundly connected to the environment and to his historical roots. He was raised in a small community in Northern Ontario. After completing his studies, he returned to the north to raise his family and practice his art. His work expresses his fear of a lost connection with each other and our environment, and a hope that we will re-discover all our forms of connection with our response. Bruce has won several awards and has participated in numerous solo and group exhibitions.

The opening reception with the artist will be held on Saturday, April 6 from 1-3 pm. Refreshments will be served. All are invited to attend.

The Agnes Jamieson Gallery is a public gallery with year-round visual exhibitions of local and regional art. The Gallery is part of the Minden Hills Cultural Centre which also includes the Heritage Village & Nature Place Interpretive Centre. The Gallery is fully accessible and is open Tuesday – Saturday from 10 am – 4 pm. Admission is by donation.
